No. 440.

VICTORIA R.

WHEREAS it hath been represented to us that it is expedient to raise the position and rank of the Veterinary Surgeons of our Army, and to increase the pay and half pay of the Officers of that Service; our will and pleasure is, that, from and after the date of this our Royal Warrant, the following Rules shall be established for the admission, promotion and retirement, and for the pay, half pay, relative rank and allowances of the Veterinary Surgeons of our Army, and that by these Rules our Commander in Chief shall be governed in recommending Officers for admission, promotion and retirement.

1. The grades of Veterinary Surgeons in our Army shall be three in number, viz.:—
   1. Staff Veterinary Surgeon.
   2. Veterinary Surgeon of the First Class.
   3. Veterinary Surgeon.

2. No Candidate shall be admitted into the Veterinary Department of the Army, until he shall have satisfactorily passed an examination before a Board of Military Veterinary Surgeons.

3. No Veterinary Surgeon shall be eligible for promotion until he shall have passed such examination as our principal Secretary of State for War may require, and shall have served on full pay with the Commission of Veterinary Surgeon for five years.

4. A Veterinary Surgeon of the First Class must have served fifteen years in the Army with a Commission on full pay before he will be eligible for promotion to the rank of Staff Veterinary Surgeon.

5. In cases, however, of emergency, or when the good of the Service renders such alteration necessary, it shall be competent for our Secretary of State for War to shorten the several periods of service above mentioned in such manner as he shall deem fit and expedient.

6. Promotion from one rank to another shall not necessarily be given by seniority, but by selection for professional ability and meritorious conduct; such selection to be made by our Principal Veterinary Surgeon, and the ground of such selection shall be stated to us in writing, and recorded in the Office of our Commander in Chief, together with the recommendation of the Principal Veterinary Surgeon.

7. The rates of pay of the Veterinary Officers of our Army shall be in accordance with the following Schedule:—

	Service on Full Pay.					
	After 25 Years.	After 20 Years.	After 15 Years.	After 10 Years.	After 5 Years.	On Appointment.

With a view to maintain the efficiency of the Service, all Officers of the rank of Veterinary Surgeons and Veterinary Surgeons of the First Class shall be placed on the Retired List when they shall have attained the age of fifty-five years, and all Staff Veterinary Surgeons when they shall have attained the age of sixty-five years.

11. Officers thus superannuated shall be entitled to the rate of half pay stated in the preceding Schedule.

12. Every Veterinary Officer, who shall have served upon full pay for twenty-five years and upwards, shall have the right to retire upon half pay, at the rate of two-thirds of the daily pay he was in receipt of when thus retiring, provided he shall have served three years in the rank from which he retires, or shall have served in any rank for ten years in the Colonies, or five years with an Army in the field. But if he shall not have complied with any one of these conditions, he shall be entitled only to half pay at the rate of two-thirds of the daily pay he was in receipt of before his last promotion.

13. Every Veterinary Officer thus claiming to retire must give six months' notice to the head of his Department of his intention to claim this right prior to his being allowed to retire; and no Veterinary Officer shall be entitled to give such notice after he shall be under orders to proceed to any Foreign Station, until he shall have served at such Station for one month.

14. If a Veterinary Officer be placed on half pay from any other cause than those hereinbefore mentioned, he shall only be allowed a temporary rate of half pay, not exceeding the rates stated in Clause 9 for such period and at such rate as shall be assigned to him by our Secretary of State for War, on a consideration of the length and character of the services rendered by such Veterinary Officer.

15. The relative rank of the Veterinary Officers of our Army shall be as follows :—
Veterinary Surgeon on appointment, as Subaltern.
Veterinary Surgeon of the First Class on promotion, as Captain.
Staff Veterinary Surgeon on promotion, as Major, but junior of that rank.

16. Such relative rank shall carry with it all precedence and advantages attaching to the rank with which it corresponds (except as regards the Presidency of Courts Martial, and of all Military Courts, Committees and Boards of Inquiry, where our will and pleasure is, that the senior combatant Officer be always President, and except, further, any military command whatever), and shall regulate the choice of quarters, rates of lodging money, field allowances, forage, servants, fuel and light, or allowances in their stead, detention and prize money. But when a Veterinary Officer is serving with a

Regiment, Corps or Detachment, the Officer commanding, though he be junior in rank to such Veterinary Officer, shall be entitled to a preference in the choice of quarters.

17. Veterinary Officers shall be entitled to all the allowances granted by our Warrant of 13th July, 1857, on account of wounds and injuries received in action, as combatant Officers holding the same relative ranks.

18. Their families shall in like manner be entitled to all the allowances granted by our Warrant of 15th June, 1855, to the families of combatant Officers holding the same relative ranks.

19. Veterinary Officers shall be held entitled to the same honors as other Officers of our Army of equal relative rank. This does not, however, extend to the compliments to be paid by Garrison or Regimental Guards, as laid down in the Regulations of our Army.

Given at our Court of St. James this first day of July, 1859, in the twenty-third year of our reign.

By Her Majesty's Command.

CIRCULAR, No. 441.

Sir,

War Office, 8th July, 1859.

I AM directed by **Mr. Secretary Herbert** to inform you that 4*d.* per day for each Non-commissioned Officer and Drummer of the Permanent Staff of the Disembodied Militia allowed to find their own lodgings will be granted in lieu of the allowances hitherto given for lodging, fuel and light. This increased rate will be admitted from the 1st April last, and will be continued to any of the Staff who may be temporarily absent from Head Quarters in raising Volunteers, or on any other duty, provided their lodgings at such Head Quarters have been retained while so absent.

Mr. Herbert considers it desirable that as many of the Volunteers as possible, when assembled for training and exercise, or called up for instruction previously thereto, should be provided, if practicable, with lodgings in private houses, instead of being billeted in public houses, and he will accordingly be prepared to admit as a charge against the public 4*d.* a day for each Volunteer, such allowance being paid to the persons by whom they are lodged, and not to the men themselves, to be claimed by the Acting Paymaster on W. O. Form 1,099.

General No. 1,107. **CIRCULAR, No. 447.**

War Office, 13th July, 1859.

THE attention of the Secretary of State for War having been called to the Regulations affecting issues of Military Stores on the requisitions of General Officers-commanding Districts at Home, Military Storekeepers are informed that the Secretary of State does not consider it desirable that as a general rule any change should be made in the long established practice, which prescribes that all demands for Stores from General Officers commanding at Home should as a rule be made through the Quarter-master General or Adjutant General, as the case may be, and be forwarded to this Office for approval.

If, however, cases of such urgency should arise as to render the delay caused even by a telegraphic communication with this Office prejudicial to the Service, Military Storekeepers are authorized to issue Stores upon requisitions (marked "Urgent") signed by the Officer in command of the Forces, reporting the same without delay to the Director of Stores.

General No. 1,119. **CIRCULAR, No. 450.**

War Office, 3rd August, 1859.

THE Secretary of State for War has approved of the following Rules and Regulations for the classification of the several descriptions of Small Arms in use in the Service, to facilitate the recognition of the different patterns, and to ensure accuracy in the issues to Regiments of the Regular Army, Militia, &c. &c. :—

All Arms of patterns recognized in the Service shall be considered as belonging to two Classes, Nos. 1 and 2.

No. 1 will designate all new First Class Arms of existing patterns, *i. e.* of such patterns as are issued to the various Services entitled to receive First Class Arms.

No. 2 will designate all *new* Second Class Arms of existing patterns and all thoroughly repaired Arms, whether originally of the First or Second Class.

Digitized by Google

With reference to repaired Arms: as each repair will render the Arm perfectly serviceable, although not equivalent to one of the First Class, all thoroughly repaired Arms will be included in Class No. 2. Each subsequent repair will be noted on the stock by the addition of another figure 2 (thus—2—2), and this will keep up the history of the Arm.

The above arrangements have reference to all Rifled Arms of the bore ·577, as distinguished from those patterns which may be considered obsolete for existing services.

Circumstances may, however, render it necessary to provide for the contingency of an issue of obsolete patterns of Arms, or of so preparing much worn Arms of existing patterns, as to allow of their being issued to levies and irregular forces.

These Arms will be considered in a different light altogether to the First and Second Classes, although some may possibly be new Arms of their kind.

In order to distinguish these Arms clearly, the term "*Reserve*" will be added to the number of classes into which they are divided.

For example, Arms of obsolete patterns, or of new patterns too much worn to justify a complete repair, when cleaned or partially repaired, will be marked with the letter *R* in addition to the number of their Class, thus:—

/53	I.	C.	R.
/53	II.	C.	R.
/53	III.	C.	R.
/42	I.	C.	R.
/42	II.	C.	R.
/42	III.	C.	R.
Flint	I.	C.	R.
Flint	II.	C.	R.
Flint	III.	C.	R.
&c.	&c.	&c.	

In this manner it will be clearly understood that all Arms, *so marked*, have been sufficiently repaired or properly cleaned (if they are new Arms of an obsolete pattern), and rendered fit for issue under certain contingencies, until the store of First and Second Class of new pattern Arms shall attain such an amount as to render the issue of these reserved Arms no longer necessary under any circumstances.

Under these arrangements the following are the distinctive marks to be used:—

1st. All *new* First Class Arms of recent patterns will be marked previously to being sent into Store from Enfield, Birmingham, London, Liège or elsewhere, with the figure 1, about a quarter of an inch in length, on the lock side of the *butt*.

2nd. All *new* Second Class and *thoroughly repaired* Arms of recent patterns will be marked with the figure 2, a second figure 2 being added each time an Arm is repaired after the first, until from sufficient wear they fall into the *reserve* division.

3rd. The letter R will be added to the Class Number I., II. or III., as before exemplified, to distinguish all obsolete Arms and those of existing patterns only partially repaired, which together will constitute the reserve.

All Store Officers in charge of Arms will carefully attend to these distinctions, and observe them in the preparation of their Store Accounts and Periodical Returns.

THE Secretary of State for War desires to direct the attention of Military Medical Officers and Civil Practitioners to the fact that Deserters, who upon their committal to civil custody have been examined and reported fit for service, have, upon joining their Corps and on re-examination, frequently been found to be totally unfit for military duty.

In order therefore to prevent unnecessary expense to the public and inconvenience to the Service, Mr. Secretary Herbert requests that greater care may in future be observed in the medical examination of all men committed as Deserters from Her Majesty's Service.

REMITTANCES FROM INDIA BY OFFICERS AND MEN, AND SAVINGS-BANK REMITTANCES OF MEN RETURNING HOME FROM INDIA.

War Office, 2nd August, 1859.

I AM directed by Mr. Secretary Herbert to acquaint you that after the 30th September next the instructions contained in Circular No. 224, dated 1st March, 1858, relative to remittances by Officers and Men from India by means of Remittance *Drafts* are to be considered as no longer in force, it being deemed advisable, from the 1st October next, to revert to the system of Remittance *Voucher*, prescribed by Circular No. 1214, dated 30th November, 1855.

To ensure prompt and safe transmission of the Remittance Vouchers* they should invariably be forwarded to the Agent by the next mail following the receipt of the money, under cover addressed as per margin,† the words "Remittance Vouchers," the number of the Regiment (Brigade and Battery, or Company, in the case of the Royal Artillery and Royal Engineers), and the *name* of the Agent for whom intended, being placed at the left hand lower corner of the cover.

The Lists of Remittances required to be forwarded by every mail, from Regiments of Cavalry and Infantry,‡ being dispensed with after the 30th September, Mr. Secretary Herbert desires that thereafter all Returns of Remittances shall be prepared for *monthly*, instead of quarterly periods (as is already done by the Royal Artillery), and that the same should be transmitted to this office, *in duplicate, immediately after the termination of each month*,§ the receipt of the proper Officer for the amount paid into the Indian Treasury being duly annexed to the original of the said Returns.

In any case, however, in which such receipt cannot be annexed, the transmission of the Return is not to be delayed, but a note is to be made on the Return stating that the receipt will be forwarded as soon as possible.

The Remittance Vouchers should be numbered, in order, and corresponding numbers entered against the names of the Officers and Men in the Monthly Remittance Returns, to facilitate the adjustment of the accounts in this country.

Adverting to Circular No. 463, dated 20th December last, I am to add that the amount shown by the separate Quarterly Return of Stamp Duty on Officers' Commissions should be included in the Miscellaneous Remittance Return for the last month of the quarter, it being desirable that such Remittance Returns (Forms 327 A), should also be prepared for *monthly* instead of quarterly periods.

In conclusion, I am to take this opportunity of observing, to obviate any misapprehension on the subject, that the instructions contained in Circular No. 410, dated 6th March last, do not apply to balances withdrawn from the Government Savings' Banks for remittance to England, which should invariably be remitted through the Brigade Major at the Head Quarters of the Presidency, in the manner prescribed by the General Order No. 635 of 1858, dated Fort William, the 23rd April of that year.

Incidental repairs are to be executed by the Royal Engineer Department, on the requisition of the Governors or Chief Warders, in accordance with War Office Circular No. 450.

At Home Stations Commanding Royal Engineers will receive from the Inspector General of Fortifications instructions as to what new services connected with Military Prisons are to be introduced in the Annual Estimates.

CIRCULAR MEMORANDUM,

Addressed to the Infantry at Home and Abroad.

General No. 181. **Reviews—Marching Past—1 (1859).**

Horse Guards, S. W., 19th July, 1859.

His Royal Highness the General Commanding in Chief desires that on all occasions when Troops march past, except when the ranks are open in slow time, the rear rank will lock up to twenty-one inches from the front rank; when the marching past is concluded, the rear rank will resume its proper distance from the front rank.

By Command.

G. A. WETHERALL,
Adjutant General.

CIRCULAR MEMORANDUM,

Addressed to the Army at Home and Abroad.

General No. 182. **Army Hospital Corps—1 (1859).**

Horse Guards, S. W., 22nd July, 1859.

It having been determined by Her Majesty's Warrant, bearing date the 1st August, 1857, to constitute a Corps to be called the "Army Hospital Corps" (in lieu of the Corps formerly denominated the "Medical Staff Corps"), the Regulations for which are fully detailed in the aforesaid Warrant, Officers commanding Regiments to which men of the Medical Staff Corps are attached, and the Medical Officers under whom such men may be serving, will be pleased to give them the option of joining the newly-formed Corps under the terms therein prescribed, or of being discharged according to the terms of the Warrant under which they enlisted.

Those men who are now serving, and are recommended by their Commanding Officers or Head of Department for the superior grades in the Army Hospital Corps, will be preferred for them.

Commanding Officers will carefully explain the Warrant of 1st August, 1857, to the present Corps, and transmit Returns to the Adjutant General of all men willing to transfer their services to the Army Hospital Corps, stating their character and fitness for that special duty. After receiving these Returns, the General Commanding in Chief will take the necessary measures to complete the new Corps from the ranks of the Army.

A separate Return of all men desirous of being discharged will be transmitted.

By Command of His Royal Highness
The General Commanding in Chief.

G. A. WETHERALL,
Adjutant General.

Memo.—A Copy of the Warrant accompanied Circular Letter of 28th April last, addressed to Officers commanding Troops of the Line at Home, and Copies are now forwarded herewith to the rest of the Army.

CIRCULAR MEMORANDUM,

Addressed to the Infantry at Home and Abroad.

General No. 183. **Arms—3 (1859).**

Horse Guards, S. W., 23rd July, 1859.

With reference to the Circular Memorandum of the 21st May last, announcing the adoption of new pattern pouches for the Infantry, the General Commanding in Chief directs it to be further notified that the Secretary of State for War has consented to grant to Regiments and Depôts furnished with the ball-bag (or expense pouch) containing the oil bottle, an allowance at the rate of 1*l.* 4*s.* 9*d.* per annum, for each Company of 100 men for the purchase of oil.

The description of oil best suited for small arms is "Rangoon oil," which is accordingly always to be used, and if it should be found impossible to obtain that article

through an agent in London or otherwise, a representation to that effect should be made to the Adjutant General for the General Commanding in Chief's information, with a view to application being made for its issue in kind from the Public Stores, in which case the allowance would be withheld.

The General Commanding in Chief has also entered into an arrangement with the War Office, by which "Cloth Selvedges" will be issued to Regiments and Depôts with the annual supplies of clothing in such quantities as to allow for each Soldier twelve strips, eight inches long by one inch in width. Each of these strips would make two or three wipers or sponges, which, with care and economy, would be sufficient to last a year.

The unused strips should be carried in the men's knapsacks, and be produced at all inspections of necessaries. The wiper in use should be carried in the expense pouch, in which a perfectly clean piece should also be kept, for the purpose of being inserted in the jag of the ramrod when the arms are examined, and shown to the Officer inspecting the Company, who will thus have the means of satisfying himself as to the state of the barrels of the rifles. Care must be taken when the barrels are washed out with water that the wiper is not placed with the ammunition in the expense pouch *till thoroughly dry*.

By Command.

G. A. WETHERALL,
Adjutant General.

CIRCULAR MEMORANDUM,

Addressed to the Army at Home and Abroad.

General No. 184. Arms—4 (1859).

Horse Guards, S. W., 6th August, 1859.

It having been found impossible to account for the damage which, in many instances, Arms issued in good condition from the War Office Stores have sustained, in consequence of the delay which has taken place between their reception by Regiments and the assembly of the Board of Survey held to examine them, the General Commanding in Chief, at the request of the Secretary of State for War, desires that on all occasions Arms and other Stores supplied by the War Office may be examined *immediately* after they are received, the Packages being opened and counted in the presence of the Board, and any damage they may have suffered is to be at once reported to the Military Store or Barrack Officer who issued the same, in order that he may determine whether the damage was caused by the carelessness of the Carriers.

By Command.

G. A. WETHERALL,
Adjutant General.

CIRCULAR MEMORANDUM,

To Officers commanding Corps in Great Britain and Ireland.

General No. 185. Working Pay—1 (1859).

Horse Guards, S. W., 11th August, 1859.

As some misapprehension appears to exist as to the mode of preparing claims for the pay of Military Working Parties, the General Commanding in Chief, with a view of checking, as far as possible, the charges made under the above head, desires that the following rules, which have been drawn up in the War Office, may be observed for the future in Great Britain and Ireland, viz.:—

1st. In case of Military Working Parties furnished on the requisition of the Military Storekeeper or Barrack Master, the charge for Working Pay should be made on the established form of Working Pay List, the Certificate on the fourth page thereof being duly completed, when the Pay List should be forwarded, through the Military Storekeeper or Barrack Master, to the War Office for examination and sanction.

2nd. In cases of Military Working Parties furnished for purposes *not* coming under the cognizance of the Storekeeper or Barrack Master, the order of the General or other Officer commanding at the Station directing the execution of the work should be an-

nexed to the Pay List; the number of Officers, Non-commissioned Officers and men to be employed to be distinctly stated in the order; regard being had to the actual requirements of the duty and to the proportion of Non-commissioned Officers to Privates, as laid down in page 267 of the Queen's Regulations and Orders for the Army.

3rd. A Certificate should be given by the Officer or Non-commissioned Officer superintending the party that the number of Non-commissioned Officers and men for whom Working Pay is charged were actually employed.

The Pay Lists to be transmitted, through the Military Storekeeper or Barrack Master, to the War Office for examination and sanction.

By Command.

Deputy Adjutant General.

CIRCULAR MEMORANDUM,

Addressed to the Army at Home and Abroad.

General No. 186. Miscellaneous—3 (1859).

Horse Guards, S. W., 12th August, 1859.

THE General Commanding in Chief desires that the Defaulter and Court Martial Sheets of Soldiers who take their discharges on the termination of their engagement for limited service may be preserved for the full period, viz., two years, within which such men, on re-enlisting for further term, are allowed to reckon former service.

ROYAL COMMISSION.

VICTORIA, by the grace of God of the United Kingdom of Great Britain and Ireland Queen, Defender of the Faith,

To Our trusty and well-beloved Sir Harry David Jones, Knight, Commander of the most Honourable Order of the Bath, Major General in Our Army;

Our trusty and well-beloved Duncan Alexander Cameron, Companion of the most Honourable Order of the Bath, Major General in our Army;

Our trusty and well-beloved George Elliot, Rear-Admiral of the Blue in Our Navy;

Our trusty and well-beloved Sir Frederick Abbott, Knight, Companion of the most Honourable Order of the Bath, and Major General in Our Indian Forces;

Our trusty and well-beloved Astley Cooper Key, Companion of the most Honourable Order of the Bath, and Captain in Our Navy;

Our trusty and well-beloved John Henry Lefroy, Lieutenant Colonel in Our Royal Regiment of Artillery, and Colonel in our Army; and

Our trusty and well-beloved James Fergusson, Esquire, greeting:

Whereas We have thought it expedient, for divers good causes and considerations, that a Commission should forthwith issue that inquiries may be made by our Commissioners into the present state, condition and sufficiency of the Fortifications existing for the Defence of Our United Kingdom, and of examining into all Works at present in progress for the improvement thereof, and for considering the most effectual means of rendering the same complete, especially all such Works of Defence as are intended for the protection of Our Royal Arsenals and Dockyards, in case of any hostile attack being made by foreign enemies both by sea and land:

Now know ye, that we, reposing great trust and confidence in your zeal, knowledge and ability, have authorized and appointed, and do by these presents authorize and appoint, you the said Sir Harry David Jones, Duncan Alexander Cameron, George Elliot, Sir Frederick Abbott, Astley Cooper Key, John Henry Lefroy and James Fergusson, or any five or more of you, to be Our Commissioners, for the purpose of such inquiries as aforesaid, and that you may offer such suggestions as may seem to you meet, as (regard being had to the works completed and in progress, and to the ordinary number of Our Royal Artillery, voted by Parliament) will render our United Kingdom in a complete state of defence.

And for the better enabling you to carry these Our Royal intentions into effect, We do hereby authorize and empower you, or any five or more of you, to call for, have access to, and examine all plans, designs, estimates and contracts for all works of defence now in progress or under Our consideration, or any other plans or designs that may be laid before you for the same object.

And We do give and grant to you, or any five or more of you, full power and authority to call before you such persons in Our Civil, Military or Naval Services, as you shall judge likely to afford you the best and fullest information upon the subject of this Our Commission, and to inquire of and concerning the premises by all other lawful ways and means whatsoever.

And We do by these presents will and ordain, that this Our Commission shall continue in full force and virtue, and that you, Our said Commissioners, or any five or more of you, may from time to time proceed in the execution thereof, and of every matter and thing therein contained, although the same be not continued from time to time by adjournment.

And Our further will and pleasure is, that you, Our said Commissioners, or any five or more of you, upon due inquiry into the premises, do report to Us, in writing, under your hands and seals, your several proceedings under and by virtue of this Commission, together with what you shall find touching or concerning the premises.

And We further ordain, that you, or any five or more of you, may have liberty to report to Us your proceedings under this Commission from time to time, should you judge it expedient so to do.

And for your assistance in the due execution of these presents We have made choice of Our trusty and well-beloved William Francis Drummond Jervois, a Captain in Our Corps of Royal Engineers and Major in Our Army, to be Secretary to this Our Commission, and to attend you, whose services and assistance We require you to avail yourselves of from time to time as occasion may require.

Given at Our Court at Osborne, the twentieth day of August, in the twenty-third year of Our reign.

By Her Majesty's Command,

SIDNEY HERBERT.

The Queen has been pleased to direct that the following Regulations respecting Foreign Orders and Medals shall be substituted for those now in force:

Regulations respecting Foreign Orders.

1. No Subject of Her Majesty shall accept a Foreign Order from the Sovereign of any foreign country, or wear the Insignia thereof, without having previously obtained Her Majesty's permission to that effect, signified by a Warrant under Her Royal Sign Manual.

2. Such permission shall not be granted to any Subject of Her Majesty, unless the Foreign Order shall have been conferred in consequence of active and distinguished Service before the Enemy, either at Sea or in the Field; or unless he shall have been actually and entirely employed, beyond Her Majesty's Dominions, in the Service of the Foreign Sovereign by whom the Order is conferred.

3. The intention of a Foreign Sovereign to confer upon a British Subject the Insignia of an Order, must be notified to Her Majesty's Principal Secretary of State for Foreign Affairs, either through the British Minister accredited at the Court of such Foreign Sovereign, or through His Minister accredited at the Court of Her Majesty.

4. If the service for which it is proposed to confer the Order has been performed during War, the Notification required by the preceding Clause must be made not later than two years after the exchange of the Ratifications of a Treaty of Peace.

If the service has been performed in time of Peace, the Notification must be made within two years after the date of such service.

5. After such Notification shall have been received, Her Majesty's Principal Secretary of State for Foreign Affairs shall, if the case comes within the conditions prescribed by the present Regulations, and arises from naval or military Services before the Enemy, refer it to Her Majesty's Principal Secretary of State for the War Department, previously to taking Her Majesty's pleasure thereupon, in order to ascertain whether there be any objection to Her Majesty's permission being granted.

A similar reference shall also be made to the Commander-in-Chief, if the application relates to an Officer in the Army, or to the Lords of the Admiralty, if it relates to an Officer in the Navy.

6. When Her Majesty's Principal Secretary of State for Foreign Affairs shall have taken the Queen's pleasure on any such application, and shall have obtained Her Majesty's permission for the person in whose favour it has been made to accept the Foreign Order, and wear the Insignia thereof, he shall signify the same to Her Majesty's Principal Secretary of State for the Home Department, in order that he may cause the Warrant required by Clause 1 to be prepared for the Royal Sign Manual.

When such Warrant shall have been signed by the Queen, a Notification thereof shall be inserted in the Gazette, stating the service for which the Foreign Order has been conferred.

7. The Warrant signifying Her Majesty's permission may, at the request and at the expense of the person who has obtained it, be registered in the College of Arms.

8. Every such Warrant as aforesaid shall contain a Clause providing that Her Majesty's licence and permission does not authorize the assumption of any style, appellation, rank, precedence or privilege appertaining to a Knight Bachelor of Her Majesty's Realms.

9. When a British Subject has received the Royal permission to accept a Foreign Order, he will at any future time be allowed to accept the Decoration of a higher Class of the same Order, to which he may have become eligible by increase of rank in the Foreign Service, or in the Service of his own country; or any other distinctive mark of honour strictly consequent upon the acceptance of the original Order, and common to every person upon whom such Order is conferred.

10. The preceding Clause shall not be taken to apply to Decorations of the Guelphic Order which were bestowed on British Subjects by Her Majesty's predecessors, King George IV. and King William IV., on whose heads the Crowns of Great Britain and of Hanover were united.

Decorations so bestowed cannot properly be considered as rewards granted by a Foreign Sovereign for services rendered according to the purport of Clause 2 of these Regulations. They must be rather considered as personal favours bestowed on British Subjects by British Sovereigns, and as having no reference to services rendered to the Foreign Crown of Hanover.

Regulations respecting Foreign Medals.

1. Application for permission to accept and wear Medals which, not being the decoration of any Foreign Order, are conferred by a Foreign Sovereign on British Subjects in the Army or in the Navy for military or for naval services, should be addressed, as the case may be, to the Commander-in-Chief, the Master-General of the Ordnance, or the Lords of the Admiralty, who, if they see fit, may submit the same to Her Majesty's Principal Secretary of State for Foreign Affairs for Her Majesty's sanction; upon obtaining which, they may grant such permission without any other formality.

2. Permission to wear a Foreign Medal cannot be granted to a British Subject, unless such Medal is bestowed for military or naval services performed by the command or with the sanction of Her Majesty. But no permission is necessary for accepting a Foreign Medal, if such Medal is not to be worn.

Foreign Office, May 10, 1855.

The Queen has been pleased to direct that the following Regulations respecting Foreign Orders and Medals shall be substituted for those now in force:

Regulations respecting Foreign Orders.

1. No Subject of Her Majesty shall accept a Foreign Order from the Sovereign of any foreign country, or wear the Insignia thereof, without having previously obtained Her Majesty's permission to that effect, signified by a Warrant under Her Royal sign Manual.

2. Such permission shall not be granted to any Subject of Her Majesty, unless the Foreign Order shall have been conferred in consequence of active and distinguished Service before the Enemy, either at Sea or in the Field; or unless he shall have been actually and entirely employed, beyond Her Majesty's Dominions, in the Service of the Foreign Sovereign by whom the Order is conferred.

3. The intention of a Foreign Sovereign to confer upon a British Subject the Insignia of an Order, must be notified to Her Majesty's Principal Secretary of State for Foreign Affairs, either through the British Minister accredited at the Court of such Foreign Sovereign, or through His Minister accredited at the Court of Her Majesty.

4. If the service for which it is proposed to confer the Order has been performed during War, the Notification required by the preceding Clause must be made not later than two years after the exchange of the Ratifications of a Treaty of Peace.

If the service has been performed in time of Peace, the Notification must be made within two years after the date of such service.

5. After such Notification shall have been received, Her Majesty's Principal Secretary of State for Foreign Affairs shall, if the case comes within the conditions prescribed by the present Regulations, and arises from naval or military Services before the Enemy, refer it to Her Majesty's Principal Secretary of State for the War Department, previously to taking Her Majesty's pleasure thereupon, in order to ascertain whether there be any objection to Her Majesty's permission being granted.

A similar reference shall also be made to the Commander-in-Chief, if the application relates to an Officer in the Army, or to the Lords of the Admiralty, if it relates to an Officer in the Navy.

6. When Her Majesty's Principal Secretary of State for Foreign Affairs shall have taken the Queen's pleasure on any such application, and shall have obtained Her Majesty's permission for the person in whose favour it has been made to accept the Foreign Order, and wear the Insignia thereof, he shall signify the same to Her Majesty's Principal Secretary of State for the Home Department, in order that he may cause the Warrant required by Clause 1 to be prepared for the Royal Sign Manual.

When such Warrant shall have been signed by the Queen, a Notification thereof shall be inserted in the Gazette, stating the service for which the Foreign Order has been conferred.

7. The Warrant signifying Her Majesty's permission may, at the request and at the expense of the person who has obtained it, be registered in the College of Arms.

8. Every such Warrant as aforesaid shall contain a Clause providing that Her Majesty's licence and permission does not authorize the assumption of any style, appellation, rank, precedence or privilege appertaining to a Knight Bachelor of Her Majesty's Realms.

9. When a British Subject has received the Royal permission to accept a Foreign Order, he will at any future time be allowed to accept the Decoration of a higher Class of the same Order, to which he may have become eligible by increase of rank in the Foreign Service, or in the Service of his own country; or any other distinctive mark of honour strictly consequent upon the acceptance of the original Order, and common to every person upon whom such Order is conferred.

10. The preceding Clause shall not be taken to apply to Decorations of the Guelphic Order which were bestowed on British Subjects by Her Majesty's predecessors, King George IV. and King William IV., on whose heads the Crowns of Great Britain and of Hanover were united.

Decorations so bestowed cannot properly be considered as rewards granted by a Foreign Sovereign for services rendered according to the purport of Clause 2 of these Regulations. They must be rather considered as personal favours bestowed on British Subjects by British Sovereigns, and as having no reference to services rendered to the Foreign Crown of Hanover.

Regulations respecting Foreign Medals.

1. Application for permission to accept and wear Medals which, not being the decoration of any Foreign Order, are conferred by a Foreign Sovereign on British Subjects in the Army or in the Navy for military or for naval services, should be addressed, as the case may be, to the Commander-in-Chief, the Master-General of the Ordnance, or the Lords of the Admiralty, who, if they see fit, may submit the same to Her Majesty's Principal Secretary of State for Foreign Affairs for Her Majesty's sanction; upon obtaining which, they may grant such permission without any other formality.

2. Permission to wear a Foreign Medal cannot be granted to a British Subject, unless such Medal is bestowed for military or naval services performed by the command or with the sanction of Her Majesty But no permission is necessary for accepting a Foreign Medal, if such Medal is not to be worn.

WARRANTS, CIRCULARS, &c.

INCOME DUTY.—YEAR ENDING 5TH APRIL, 1860, INCLUSIVE.

ARMY.—(1859-60.)

War Office, 30th August, 1859.

BY the Act of 22 & 23 Victoria, cap. 18, the amount to be stopped and deducted on account of Income Duty from the pay and allowances issued or becoming payable to Officers of the Army and others under the authority of the Secretary of State for War for any period or periods within the quarters ending respectively on the 30th September and on the 31st December next is to be calculated at the rate of 1*s.* 1*d.* in the pound in every instance in which the income of the person from all sources is not less than 150*l.* for the year, and at the rate of 8*d.* in the pound when the income is allowed by the Commissioners for Income Duty to be less than 150*l.*, but not less than 100*l.* a year. For periods during the quarter ending on the 31st March, 1860, Income Duty is to be calculated at the rate in force up to the 30th June last, viz., 5*d.* in the pound in every instance in which the income of the person from all sources amounts to 100*l.* and upwards.

The short deduction of tax from issues of pay already made during the present quarter is to be recovered out of the next payment to be made.

The annexed Tables, which have been framed for the purpose of calculating the above, are circulated for the guidance of Agents, Paymasters and others, who are Accountants to this Department.

Separate instructions will hereafter be issued to Agents and Paymasters as regards the mode of rendering the usual Income Duty Returns.

By Order of the Commissioners.

17. Non-commissioned officers and privates on probation shall remain on the strength and payment of their respective regiments or corps, receiving only from the Commissariat additional or working pay, according to their class, qualification, and time of employment.

THE Secretary of State for War having had under his consideration the expediency of adopting an uniform practice regarding the deodorizing agents to be supplied by Barrack Masters for the purification of privies, drains or other portions of barracks where effluvia prejudicial to the health of the troops are likely to arise, has decided that lime only shall be used for such purposes in barracks, and, in cases of necessity, chloride of lime also in hospitals.

FOREIGN STATIONS.

War Office, 19th August, 1859.

WITH reference to Circular No. 300 (41—Engineers, 16), respecting the payment into the Treasury Chest of stoppages due by Engineer Officers abroad, who are accommodated with public quarters, the Secretary of State for War has determined that these stoppages shall in future be accounted for in Quarterly Statements instead of the Monthly Returns prescribed by Art. 26, Section 2, of the Engineer Regulations.

CIRCULAR, No. 464.

War Office, 24th August, 1859.

THE Secretary of State for War having had under his consideration the Report of the Royal Commission appointed to examine into the sanitary state of the Army, has decided, in accordance with the recommendation of the Commission, that, in the case of General, Garrison and Camp Hospitals, the charge of the buildings, grounds and stores connected therewith shall be transferred from the Barrack Master to the Purveyor of the District or Station, who will in future be held responsible for their good order and cleanliness, and also for the due assessment of Barrack damages. Barrack Masters will therefore be entirely relieved of the whole of the duties hitherto performed by them in connection with these Hospitals.

Regimental Hospitals will, however, remain as at present, in charge of the Barrack Master. The inclosed instructions are therefore transmitted for the guidance of all concerned in carrying out these arrangements.

JOHN ROBERT GODLEY.

To General Officers commanding, Officers commanding Regiments, &c., Commanding Royal Engineers, Barrack Masters, Purveyors, &c. &c.

1. WHEN a Regiment or Detachment arrives at the Station, which arrival should be notified to the Purveyor by the Quartermaster General's Department, it will be the duty of the Purveyor, in cases where the accommodation has not been already allotted by regulation, to take the instructions of the principal Medical Officer as to the amount and description of Hospital accommodation to be placed at the disposal of the Corps. He will thereupon deliver over the same in good condition to the Surgeon or other Officer appointed for the duty by the Officer commanding the Regiment or Detachment, who will, from time of such delivery, stand charged with the said Hospital, and with the Stores, &c., issued thereto, until the building is again given up to the Purveyor.

2. The Purveyor is expressly enjoined to confine the issue of bedding, furniture, utensils, &c., for Hospital use to such quantities and descriptions only as may be sanctioned by Her Majesty's Warrant, the Barrack Regulations, and by the Purveyor's instructions.

3. That there may be no misunderstanding with the Medical Officers, patients or hospital servants, the Purveyor is to prepare for each ward or room an inventory comprising every article, including fixtures, handed over by him to the Medical Officer or Hospital Serjeant, by either of whom it should be signed in conjunction with the Purveyor. The inventory will be hung on the inside of the door of the room, and if defaced or destroyed will be charged at the rate of one shilling as hospital damage or deficiency. In addition to the room or ward inventory, a general inventory, in duplicate, should be prepared by the Purveyor, and signed by the Medical Officer in charge, one copy to be retained by the Purveyor for each separate Hospital, the duplicate to be sent to the Officer commanding the Regiment or Detachment.

4. The Purveyor will frequently inspect the Hospital buildings and stores, but at the commencement of each month he will apply to the Officer commanding the Troops to fix a day for the usual monthly inspection, to be held on or before the 20th, and request him to appoint a Commissioned Officer to attend on behalf of the various Regiments or Detachments. The assessment made by the Purveyor for Hospital damages or de-

ficiences which may be attributable to wantonness or neglect on such occasions should be forthwith laid before the Officer commanding the Regiment or Detachment concerned, and the amount be paid by him to the Purveyor. At Home Stations the Purveyor will credit the amount in his accounts, but at Foreign Stations he will pay it over to the Military Accountant, to be by him credited to the public. Any disputes arising out of these charges should be subsequently submitted to the Officer commanding the Troops, for his consideration and decision.

5. The Purveyor is authorized to cause all damages so assessed to be at once repaired, and also to cause to be executed all whitewashing, when necessary for purification or cleanliness, the same being previously approved by the principal Medical Officer.

6. The Purveyor is authorized to make every fair and just allowance for the wear and tear of Hospital bedsteads, beds, clothing, furniture, utensils, &c., in the assessment of damages and deficiences of such stores, or of damages to buildings; it is nevertheless imperative on him to protect the public interest by due vigilance and attention to these important points of duty. At the same time it is expected that Commanding Officers, while they protect the interest of the Soldiers, will bear in mind the necessity of upholding that of the public also. When in the ordinary changes of bedding, clothing and furniture it is found that any of the articles returned into store have been unnecessarily or wantonly injured or stained, the Purveyor will charge the same to the Regiment, the Commanding Officer being at liberty to appeal, should he conceive himself or the Troops aggrieved.

7. When a Regiment or Detachment is ordered to leave the Station, the same should be notified by the Quartermaster General's Department to the Purveyor, who will thereupon proceed in person, if possible, to receive over the Hospital stores, &c., in charge of the Regiment or Detachment, and forward to the Officer commanding a list of all articles missing or damaged.

8. At the annual inspection of the Hospital buildings, the Commanding Royal Engineer will be assisted by the Purveyor, to whom he will give timely notice of the inspection.

9. The Purveyor will point out any defects that may exist, and suggest any improvement he may consider necessary for the efficiency of his department, and for the due accommodation of the sick; and a statement of all such alterations as may then be deemed requisite is to be signed by the principal Medical Officer and the Purveyor, as well as by the Engineer Officer.

At Stations where there are Quarters for the Medical Officers in the General or Garrison Hospital, these Quarters will be given over to the charge of the Purveyors, and the necessary inspections made by them.

When Officers of the Medical and Purveyor's Departments occupy Quarters apart and distinct from the Hospital, such Quarters will continue in charge of Barrack Masters.

10. At the commencement of each quarter the Purveyor will, after a careful inspection of the Hospital Buildings under his charge, prepare and transmit to the Commanding Royal Engineer of the District a statement of the incidental repairs (Form No. 3), arising from fair wear and tear only, that may appear to him requisite, which is to be signed by the Principal Medical Officer and by the Purveyor (care being taken to number and identify each article or part requiring repair).

11. On the receipt of this statement, the Commanding Royal Engineer will fix, with the Purveyor, an early day for the inspection of the Hospital in the usual way by himself or by an Officer of Engineers (accompanied by the Purveyor). He will call the attention of the Purveyor to any irregularities or misappropriation which he may observe in making the inspection.

12. Should any trifling repair of *a pressing or urgent nature* be required by the Principal Medical Officer, the Purveyor should order its immediate execution by the Engineer Contractor, he reporting simultaneously to the Commanding Royal Engineer of the District his having done so, and the grounds of the urgency.

13. In cases of Hospitals still in charge of Barrack Masters this power will be likewise entrusted to them.

14. All repairs which, though not of so urgent a character, may become necessary between the quarterly inspections, will be performed, on the requisition of the Purveyor, by the Engineer Department; but it is considered that by due care and attention in drawing up the quarterly requisition such intermediate requisitions should be but rare.

15. Should the Purveyor on any occasion find a difficulty in estimating the amount of the charge to be made for disputed damages, he will, on a written application to the Commanding Engineer, receive the necessary professional assistance, but it must be distinctly understood that this is intended only to apply where the Purveyor's charge is objected to by the Troops.

16. From Districts at Home, Returns of such stores as have become unserviceable during the year from fair wear and tear only are to be sent, as soon after the 1st March as possible, to the Purveyor-in-Chief, who will send them to the Director of Stores, in order that he may nominate an Officer to attend the survey of Hospital Bedding and Furniture at the same time that the Barrack survey takes place, disposing of the Bedding and Furniture according to the Barrack regulations.

17. At Foreign Stations the Purveyor will furnish a similar Return of such Stores to the Officer commanding the Troops, and apply for the appointment of a Board of Officers to examine the state of the articles brought before it, and to report thereon to the Officer commanding, who will give such orders, according to the Foreign Barrack Regulations, as to the disposal of the Stores as may appear to him to be for the interests of the Public.

18. The original Minutes of Survey, Form No. 58, are to be attached as Vouchers to the Purveyor's Store Account.

19. The Purveyors and Purveyors' Clerks in charge will be held responsible, and looked upon as Hospital Barrack Masters, and account for the stores like all other Barrack Masters, and they will make their demands for Hospital bedding and furniture to the Director of Stores through the Purveyor-in-Chief, without the intervention of Barrack Masters.

20. The washing and repairs of Hospital bedding will, for the present, be performed by the Barrack Contractors.

21. In districts where General or Garrison Hospitals exist, and when Storage is specially attached to these Hospitals, the Purveyors will send Returns to the Barrack Masters of the probable quantities of fuel and light that will be required, in order that provision for the same may be made in the annual contracts. These issues will be made under the supervision of the Purveyors, who will send the weekly Fuel and Light Returns to the Director of Stores, according to the Barrack regulations.

22. The issues of fuel and light to Regimental Hospitals will be made as at present.

23. Barrack Masters will take the necessary steps immediately for the transfer of bedding and furniture to the Purveyor, agreeably to this order, so soon as the necessary Transfer Returns are prepared by the Purveyor-in-Chief.

Sir,

War Office, 12th August, 1859.

In drawing your attention to Art. 203 of the Militia Regulations of the 1st September, 1854, I am directed by Mr. Secretary Herbert to acquaint you, that in any case in which it may be hereafter necessary to renew the engagement of the Serjeants who have been appointed on the Permanent Staff of the Regiment under your command since the passing of the Act 17 & 18 Vict. cap. 107, application for the authority of the Lord-Lieutenant of Ireland to re-appoint them should be made by the Colonel, through the Lieutenant of the County. No Serjeant is to be recommended for re-appointment who is not medically fit for a further service of five years, and who is not, in every other respect, equal to his duties; those who are unfit should be discharged immediately on the expiration of their present engagement.

Such Serjeants as may be re-appointed will be allowed a Bounty of 15*s.* each, and care should be taken that the oath prescribed by the 3rd section of the 51 George III., cap. 118, is re-administered to them.

I am to add, that the Colonel of the Regiment will be at liberty to renew the engagement of the Drummers* on the Permanent Staff, on the same terms as regards bounty and qualifications for service as in the case of Serjeants, without, however, the intervention of the Lieutenant of the County or Lord Lieutenant of Ireland.

CIRCULAR, No. 466.

War Office, 27th August, 1859.

THE Secretary of State for War, being of opinion that in cases of leave of absence granted on the certificates of Medical Boards, on account of sickness, Officers of the General Staff should not be required to provide substitutes at their own expense for the performance of their duties, desires that when such leave is granted by any General Officer Commanding the Troops abroad he will make such arrangement as he deems most advantageous for the duties being performed during the absence of the Staff Officer, and will, in case it may be found necessary to engage the services of a substitute, or otherwise to incur any increased expense, report the arrangement he may make in the matter to this office, for the approval of the Secretary of State.

In cases of sick leave being applied for, on the certificate of a Medical Board, by any Staff Officer serving at home, the arrangement which it is proposed to make for providing a substitute should be reported to this office for the previous sanction of the Secretary of State.

This regulation will only be applicable to cases where the necessity for such leave of absence shall be certified by a Board of Military Medical Officers, and is only to extend to a period of two months in each year.

War Office, 30th August, 1859.

MR. Secretary Herbert has decided that the arrangement, contained in the Circular dated 26th April, 1847 (8—48), issued by the late Board of Ordnance to the respective Officers, for employing the Crown Lawyers of the various Colonies as professional advisers to that Board, shall not be, in future, applicable to the business connected with this Office.

The Officer Commanding in each Colony will therefore select a legal adviser of character and eminence in his profession to act for this Department. He may be one of the Colonial Law Officers or not, as the Officer Commanding may think best; he will be paid at the rates and in the manner customary in the Colony, and his name is to be reported for the approval of the Secretary of State for War.

It is to be understood, however, that in cases where it may be desirable to obtain the advice of the Chief Law Officer of the Colony, if he be not the selected adviser, such advice may be taken and his usual fees paid.

This decision is to be communicated to the various Departments concerned.

REGULATIONS FOR GOVERNING THE SEALING AND CUSTODY OF PATTERNS OF MILITARY STORES.

War Office, 3rd September, 1859.

1. ALL patterns of Military Stores are to be approved by the Secretary of State for War, and sealed with the pattern seal of the Office, which is to be kept in the custody of the Director of Stores.

2. A Register of all sealed patterns is to be kept in the Office of the Director of Stores, and similar Registers by the Superintendents of the Departments and Principal Military Storekeepers concerned respectively.

3. The original patterns of articles made in the Manufacturing Departments are to be obtained after sealing by the several Superintendents, who are to be held responsible that no alteration is made in them.

4. The original patterns of articles obtained by contract are to be kept after sealing in the custody of the Principal Military Storekeepers, or of the Superintendents of the Manufacturing Departments requiring the Stores (as the case may be), who will be responsible that no alteration is made in them.

5. All patterns of too bulky a nature to be sent to Pall Mall are to be sealed by a gentleman belonging to the Store Branch at the Station or Department where they are to be kept, and this gentleman will report his proceedings to the Directors of Stores who will be responsible for the safe return of the pattern seal to that Officer.

6. Whenever it is discovered that the seal upon an original pattern is damaged and likely to become obliterated in consequence, a report of the fact is to be made to the Secretary of State for War by the Officer in charge of the pattern, and steps are to be immediately taken for resealing the same.

7. The Director of Stores will order certified samples or drawings of Stores in such cases as he may consider necessary. The sealed samples are not to be considered as patterns for governing contracts or manufacture, but merely for the information of the persons to whom they may be sent, in order that they may become thoroughly acquainted with changes of pattern, and that they may make their requisitions correctly. If any defect or deviation in the form or make of any article be observed by them they will report the same to this Office.

8. The approval of all new patterns or alteration of patterns of Stores which are to be under the consideration of the Select Committee or the Royal Engineer Committee should be recorded in their books, and a monthly statement with description transmitted to this Office.

RULES AND REGULATIONS TO BE STRICTLY OBSERVED BY MASTERS, MATES AND SEAMEN OF THE SEVERAL VESSELS BELONGING TO OR EMPLOYED BY THE WAR DEPARTMENT.

War Office, Pall Mall, 24th August, 1859.

1st.—On arrival at any Military Store Station, the Master is immediately to report himself to the Senior Military Store Officer, and if any Stores are on board to deliver the bills of lading.

2nd.—The Master is to attend daily at the Military Store Office at the Station where the vessel may be lying, to receive such orders as it may be necessary to give him.

3rd.—The Master is strongly enjoined frequently to examine the hold, and to be particularly careful that all iron bolts, nails, &c. are covered with sheet lead or pieces of leather, and that any defects in the vessel or Stores are immediately reported in writing to the Senior Military Store Officer at the Station.

4th.—Previously to receiving any gunpowder, ammunition, &c., the Master or Mate is to take especial care to examine the hold, and see that it is clean swept, free from grit or dust, and in a fit state to receive the Stores, which he is to report to the Senior Military Store Officer.

5th.—On receiving gunpowder, ammunition, &c., the Master is to see that the platform in the vessel's hold, the gangways and comings of the hatchways are covered with tanned hides; that the barrels or boxes are carefully stowed, the hatches properly secured and locked, and that the key remains in his own possession.

6th.—No fires, lights or smoking are, under any circumstances, to be permitted on board during the time of loading or unloading, or while lying alongside (or within a quarter of a mile) of any Magazine. Fires will be provided in the cook houses at the several Stations, when requisite, for cooking the provisions. When at sea, and it is necessary to have a fire on board, the Master is to see it carefully extinguished at sunset and one hour previously to going alongside any ship or Magazine.

7th.—Having received gunpowder or other ammunition, a red flag is to be hoisted at the mast-head, and kept flying until the cargo is discharged. The Master or Mate and all the crew are to remain on board until all the Stores are discharged, except it may be necessary to procure water or provisions, of which notice is to be given to the Senior Military Store Officer.

8th.—On delivery of the above Stores the same caution is to be used as in loading, and if any barrels or boxes should have been unavoidably broken or any powder become loose, it is to be carefully swept up and delivered at the Magazine, and the circumstance reported by the Master to the Senior Military Store Officer.

9th.—No lucifer matches are at any time to be used on board any of the War Department vessels, and any person found to be in possession of the same will be immediately dismissed.

10th.—The Master is to keep a log book, inserting the daily occurrences and also the receipts and deliveries. The tally of all Stores passing into or out of the vessel is to be taken by the Master or Mate, who will be held strictly accountable for the delivery of all the Stores according to the receipt tally, and any deficiency must be immediately reported by the Storekeeper to whom the Stores are consigned.

11th.—In the steamers at sea the Officer in charge is to keep his watch on the bridge, and to see that the lamps are properly trimmed, and that a good look-out is kept by the man stationed in the bows.

12th.—The Admiralty regulations respecting lights must be strictly attended to both in the steam and sailing vessels.

13th.—On the arrival of the steam vessel in any port, the Chief Engineer is to report to the Master or Mate that the sea and bilge cocks are secure before leaving the vessel; and the Engineer on duty, when under-way, shall not under any pretence leave the engine room unless relieved by the Engineer off duty; and in the event of the fires being required to be banked up, the vessel is on no account to be left without one Engineer on board.

14th.—The stokers shall assist the crew in getting the anchor whenever required, but will not be called on to take part in the general work of the ship on deck, except in cases of emergency at sea. On arriving at any port they shall be employed under the Engineers in cleaning the boilers, engines and other work in the engine room.

15th.—The galley and steam funnels are to be kept clean swept, whitewashed and painted by the Stokers.

16th.—The galley fire is to be extinguished at 8 p.m., and not lighted before 6 a.m. The funnels are to be daily carefully examined and swept.

17th.—All boats, unless required for the service, are to be hoisted at 9 p.m., and on no account to be lowered unless ordered by the Master, or in his absence the Mate.

18th.—When the vessel is unloaded safely moored and not immediately wanted, the Master, Mate and crew will be permitted in turn occasionally to be with their families (when the weather will allow); but steamers are never to be left without the Master or Mate, one Engineer, one seaman, one stoker and one boy; nor sailing vessels without either the Master or Mate and one seaman on board, nor is any person to absent himself at any time without express permission from the Senior Military Store Officer at the Station.

19th.—Each vessel will be furnished with two red flags, as many pairs of Magazine slippers as there are men in crew, and a like number of pairs of trowsers and frocks for working in the hold, but not to be worn at any other period. These articles will be supplied upon the Master making a requisition for them to the Senior Military Store Officer of the Station to which the vessel belongs.

20th.—When absent from his own Station or meeting with any accident at sea, whereby the safety of the vessel is endangered or delay likely to be occasioned, the Master is to report immediately to the Senior Military Store Officer at the Station to which he belongs, and apply for assistance to the nearest Military Storekeeper, Ship or Dockyard belonging to Her Majesty.

21st.—The Master will be held strictly responsible that the service upon which his vessel is employed is performed with the utmost despatch, and, in the event of his being obliged to seek shelter, that no unnecessary delay is allowed to take place before again proceeding on his voyage. The circumstance is to be immediately reported to the Senior Military Store Officer to whom the Stores are consigned.

22nd.—The Master is authorized to draw half a month's pay, in the event of his voyage being prolonged, by adverse winds or unforeseen circumstances, beyond the month in which he was originally loaded; the circumstances to be immediately reported to the Senior Military Store Officer of the Station to which the vessel belongs.

23rd.—Every man or boy employed in this service is to devote himself exclusively to it, and the Master will be held responsible for the conduct of the Mate and Crew, and in the event of any disobedience of his orders by them he is to report in writing to the Senior Military Store Officer at the Station to which he belongs.

24th.—Any Master, Mate or Man wishing to leave the Service must give three days' notice, or forfeit pay for a similar time.

25th.—When removing the armament of any of Her Majesty's ships, the Master is to use his utmost endeavours to prevent any article of Naval Stores being put on board his vessel with the Stores of this Department. In the event of his observing any article of Naval Stores amongst the War Department Stores, he will immediately report the circumstance to the Officer commanding the ship from which the armament is being removed.

26th.—On all occasions before casting off, after receiving Stores from any of Her Majesty's ships alongside the Dockyard, the Master will apprise the Dockyard police, in order that his vessel may be searched. Should the ship be in the stream, he will ask the Officer commanding to send the Master-at-Arms on board his vessel to make the examination; he will then lock the hatch and retain the key in his own possession until his vessel comes alongside the Gun Wharf to unload.

27th.—The Master will make out an inventory of all the standing and running rigging, masts, blocks, anchors, cables (stating the length of the cables), sails, and all Public Stores, &c.

28th.—He will transmit demands from time to time for such Stores as may be required, returning the old Stores to the Military Storekeeper, to show that they have been duly worn out.

29th.—The Master will periodically examine the forecastle, and report to the Military Storekeeper any article of Public Stores found therein other than those belonging to the vessel.

30th.—All Stores belonging to the vessels are to be clearly marked W ↑ D.

31st.—Periodical surveys will be held by an Officer of the Military Store Department, in order to ascertain that the Stores are correct; and the Master will be held strictly responsible for all the Stores placed in his charge as shown by the inventory. The Military Storekeeper is to report having held the survey.

General No. 187. Fifes, &c.—3 (1859).

Horse Guards, S. W., 30th August, 1859.

THE Secretary of State for War having authorized the admission, as a charge against the public, of the sum of one halfpenny per letter, or figure for marking the flutes and fifes issued by the War Office to Regiments of Infantry and Depôt Battalions, the General Commanding-in-Chief directs that the Instruments in question be marked on the ivory end of each in the following manner: $\frac{1/14 \text{ R}}{1}$, $\frac{2/24 \text{ R}}{5}$, $\frac{7 \text{ D B}}{9}$, $\frac{51 \text{ R}}{8}$ the Regiment or Depôt Battalion being above, and numbers, from 1 up to the number of Flutes in possession, below the line.

General No. 188. Miscellaneous,—4 (1859).

Horse Guards, S. W., 31st August, 1859.

IN consequence of the numerous claims from private practitioners for medical attendance upon Soldiers labouring under chronic diseases, who are employed on the recruiting service, and on other duties away from their Regiments, the General Commanding-in-Chief desires that every Soldier shall be subjected to a careful medical examination on the day before, or on the day on which, he leaves his Regiment or Depôt for detached duty of any kind.

His Royal Highness likewise desires that, before granting sick furloughs, Commanding Officers will obtain from Medical Officers a distinct opinion as to whether the cases are likely to be benefited by the removal of the patients to another locality; and further, that they will take steps for ascertaining that the men's friends are in a situation to afford them such aid as the nature of their ailments may require. Much needless suffering must result if Soldiers labouring under chronic disease are allowed to visit friends who are unable to provide them with the necessary accommodation and comforts.

CIRCULAR MEMORANDUM,

Addressed to the Army at Home and Abroad.

General No. 189. Working Pay,—2 (1859).

Horse Guards, S. W., 8th September, 1859.

THE Secretary of State for War, at the recommendation of His Royal Highness the General Commanding in Chief, having consented to an allowance of fourpence per day being granted to each man employed in Camps of Instruction in throwing up Field Works, to compensate for the wear and tear of their clothing and boots, the same is hereby notified for general information and guidance.

It is, however, to be distinctly understood that this allowance is not to be regarded as "Working pay," but is to be placed to the Soldier's credit, with the Captain of his Company, as compensation for clothing and boots damaged or worn by work at the duties in question; and is not to be charged on works carrying working pay, as provided in pages 267, 268, of the Queen's Regulations and Orders for the Army.

By Command.

General No. 190. Army Hospital Corps—2 (1859).

Horse Guards, S. W., 9th September, 1859.

His Royal Highness the General Commanding in Chief having been pleased to decide that such Non-Commissioned Officers and Men as have, after a course of training and instruction in making up medicines, been examined and appointed Compounders of Medicine, may be called upon to volunteer as Serjeants to the new Army Hospital Corps, Commanding Officers will be pleased to transmit Nominal and Descriptive Returns of such Non-Commissioned Officers and Men as shall volunteer accordingly.

His Royal Highness has further decided, that all Regimental Hospital Serjeants who volunteer their services under the terms offered, and who are accepted, shall remain attached to the respective Regiments or Battalions in which they were serving when transferred to their new Corps.

It is, however, distinctly to be understood,—that although all Non-Commissioned Officers and Men volunteering from the Medical Staff Corps to the Army Hospital Corps are to be allowed to reckon their service in the former as part of the sixteen years' service required in the latter Corps by the 16th Article of the Warrant of 1st August, 1857,—in no case will any individual transferred to the Army Hospital Corps be allowed to reckon any previous service he may have had in the Line towards the sixteen years in this Corps.

General No. 192. Arrest—1 (1859).

Horse Guards, S. W., 19th September, 1859.

From circumstances which have recently occurred the General Commanding in Chief has reason to believe that the Officers of the Army generally entertain very inadequate impressions on the subject of arrest, His Royal Highness therefore deems it necessary for their guidance and information to define the meaning of an Officer being in arrest, which, to all intents and purposes, is that he is a prisoner.

An Officer is placed in arrest for some offence imputed to him, and he remains so until his case has been decided upon by competent authority.

An Officer in close arrest is not allowed to leave his quarters or tent. If he be in arrest at large, he may be permitted by superior authority to take exercise within defined limits, viz., not beyond the Barracks, or, if in Camp, not beyond the Quarter Guard, and then only at stated periods; but he cannot dine at his own or any other mess, nor can he appear at any place of amusement or public resort, and he is on no pretext to quit his room or tent dressed otherwise than in uniform, without his sash and sword.

By Command.

G. A. WETHERALL,
Adjutant General.

MEMORANDUM.

Army Medical Department, 15th July, 1859.

Many Soldiers of short service who did not bear marks of medical treatment having been sent to Chatham to be discharged, the Director General begs to call the attention of Medical Officers to this subject, and to inform them that every Soldier, before being brought forward for discharge on account of a medical disability, must bear marks of the treatment usually adopted in practice, to show that proper remedial means have been used to restore him to health before he is pronounced unfit for further service.

Soldiers are often invalided for lumbago, epilepsy, diseases of the joints and visceral affections, all of which, in the early stages, would be much benefited by local depletion, and it is to such cases that the attention of Medical Officers is specially directed, and not to those of advanced organic disease or of permanent deformity.

The Director General recommends, where topical depletion is necessary, that cupping be resorted to, as it is a mode of treatment oftentimes more efficacious and always less expensive than the application of leeches.

Director General.

General No. 1. CIRCULAR, No. 474 (BARRACKS).

HOME.

War Office, 14th September, 1859.

CIRCULAR No. 361, containing regulations for hiring property for the use of the War Department generally, being inapplicable for the provision of Hospital accommodation for Militia Regiments at the annual training periods,

Mr. Secretary Herbert has been pleased to approve of the following regulations of hiring for the object named, which are to be strictly followed in all future cases.

When a Regiment is about to be assembled for training, the Officer commanding will report to the Secretary of State for War, as early as convenient, the necessity for providing Hospital accommodation, stating whether there is any infirmary or public building available for the purpose.

If not, he will state the lowest rate at which a suitable house or rooms, approved by the Surgeon of the Regiment, can be obtained for the training period.

The report is to be sent in the latter case through the Barrack Master of the district, who, in forwarding it, will state from his experience and knowledge whether he considers the rent demanded to be reasonable; but he is not to proceed to the Station to make inquiries without directions from this Office. On the hire being approved, it will be communicated to the Officer commanding and to the Barrack Master, and the latter will supply such Hospital furniture and bedding as the Officer commanding may deem necessary, reporting the expense of carriage for sanction.

The bedding, &c., is to be duly removed at the expiration of the training period.
